

# Land Use Permit Forum

WEDNESDAY, JUNE 3, 2026

Younes North, Kearney | Silver 1, 2, 3

*The Land Use Forum will highlight the work of the LB663/Land Use Committee in developing accessible data tools and best practices to support Nebraska counties in making informed permitting decisions.*

*Guided by expert-led sessions on livestock, energy, and broadband infrastructure, the discussion will also gather feedback from county board members to inform the development of a Land Use toolkit. Senator Clouse and Senator Storer will be joining the forum as special guests.*
