Community Project Funding Grant Applications are Open

Community Project Funding allows Members of Congress to provide greater input on how funding will be directed to specific state or local governments or eligible non-profit recipients.

Members of Congress are allowed to submit up to 15 Community Project Funding requests to the Appropriations Committee. There are no guarantees that these Community Projects will all be funded, and the projects will be competitively evaluated by the Committee on Appropriations.

Each Congressional District in Nebraska has their own application. The submission deadline for District 1 and District 3 is March 17, 2023.
